

## DORINA LINDEMANN - RESERVA

**Year of harvest:**

2017

**Classification:**

Vinho Regional Alentejano

Reserva

**Type:**

Red wine

**Grape varieties:**

40% Tinta Barroca, 40% Touriga Nacional and 20% Touriga Franca

**Soil type:**

Sandy soils, loam soils, clay soils, limestone and slate soils.

Overall, high iron content and granite in the deeper rock layers.

**Annual production:**

7.500 bottles

**History:**

A new composition of terroir, experience and the grape varieties Viosinho and Gouveio created by Dorina Lindemann together with her oenologist Carlos Ramos.

**Tasting:**

A lovely mixture of exotic fruit and buttery aroma. A lot of fruit, harmonious and wonderfully elegant.

**Vinification:**

Selective manual harvest in small 25 kg boxes. Natural sedimentation at 5°C. Fermentation and storage in French barrique barrels.

**Ageing potential:**

5 Years

Alcohol	Total acidity	Volatile acidity	Residual sugar	PH-value
14,5 %vol	5.9 g/l	0.54 g/l	3.3 g/l	3.26
