

CULT 2017

CABERNET SAUVIGNON

A structured and balanced Cabernet Sauvignon. I believe a hand-crafted Cabernet should be cultivated through terroir knowledge, blending expertise and barrel selection. **CULT** was developed for restaurants and wine merchants to provide their customers with a fantastic Cabernet at a fair price. We hope you agree.

A touch of vanilla enhances the long and pleasant finish.

2016 CULT Cabernet

90PTS

Flavorful, well-structured and well-balanced, this is a wine for all seasons. With a medium to full body, generous black cherry and raspberry aromas, and a nicely dry mouthfeel, it is ready to pair with almost any meat, fowl or cheesy dish.

90PTS

Smooth, fresh and toasty with soft herbs and plum; clean and balanced.
