

SALVESTRIN

2018

NAPA VALLEY

CABERNET SAUVIGNON

Our 2018 Napa Cabernet is made from grapes we farm to a meticulous degree. This ensures that we have quality control every step of the way from the start of the growing season through to the final blend and bottling. Savory and fruity on the attack featuring notes of cassis, raspberry, cherry cola, chai tea, and a slight hint of white pepper. Voluptuous yet focused, this Cabernet has robust refined chalky tannins. Medium bodied in weight and seamless throughout, this wine lingers on the finish with an echo of vanilla and barrel tone spice

*Primary Vineyard Sources: Salvestrin Crystal Springs Vineyard and Salvestrin Dr. Crane Vineyard
